Junior Research Fellow position under SERB, DST funded project

Applications are invited for the position of Junior Research Fellow (JRF) in the Department of Computer Science and Information Systems at BITS Pilani, K. K. Birla Goa Campus, Goa for a SERB, DST sponsored research project titled "A Low-power Deep Spiking Neural Network for Forest Surveillance" (CRG/2019/003534).

Principal Investigator (PI): Basabdatta Sen Bhattacharya

Broad area of Research: Deep Spiking Neural Networks for Cognition
Please see https://www.binnlabs-goa.in/openings/ for details on the research activities in the PI's lab.

Duration of the project: 3 years

Fellowship Amount (Rs.): 31,000 p/m. (where applicable, + 16% HRA)

Last date of Application: 27th June 2020

Address to apply: Interested candidates may send *application and curriculum vitae with details of research experience* to the PI via email: basbdattab@goa.bits-pilani.ac.in.
The position is now open and will be closed on selection of a suitable candidate.
Please see https://www.binnlabs-goa.in/openings/ for status update before you send in your applications.

For any enquiries by interested applicants on their suitability for the post, please email the PI, clearly stating the above-mentioned project number in the email subject line.

Essential Qualification: Masters in Computer Science and Engineering

Selected candidate will get a chance to apply for PhD degree at BITS Pilani, K. K. Birla Goa Campus (Rules of PhD program for BITS Pilani are applicable)
