After submission of these information the system will generate a **Registration Code** which will be displayed on the same page prominently. Though the system is designed to send e-mail immediately acknowledging the Registration Code and corresponding Date of Birth, sometimes due to network congestion the e-mail may not be delivered, hence candidates are requested to note down the Registration Code carefully. The fresh registration process for candidature will be **closed on the last date of registration**.

However, an already registered candidate can keep uploading/modifying his/her candidature specific data in Phase 2 and Phase 3 till last date of registration. **However, uploading data in these two Phases does not complete the submission process automatically.** In Phase 3, **Submit Candidature** button is required to be used to finally post the candidature for the Examination. **Before submitting Candidature** please ensure that

- 1) All detailed information in Phase 2 has been filled up and in case of non-availability of data he/she should fill as per instruction provided. No field box should be left blank.
- 2) Passport Photo image file as described above has been uploaded.
- 3) Signature image file as described above has been uploaded.

Only after these verifications, the candidate should proceed for submission of the candidature/application. Initially the **Submit Candidature** button will be displayed in faded color and deactivated. On clicking the **Declaration check box** on the page, the button **Submit Candidature** will turn to green color and activated for submission of candidature. **No more modification will be possible after submission of candidature.**

Phase 4: After submission of candidature the candidate should take a print out of the Fee Payment Challan by clicking the **Print Fee Payment Challan Form** button. The candidates can pay the fee amount **after two working days** from the date of submission and **on or before the last date** fixed for payment of fees.
