**Job Description: Innovation Manager**

**Reports To:** Manager (innovation Management) will directly report to COO and CEO, Pusa Krishi, ZTM & BPD Unit, ICAR-IARI

**Job Overview:**

Manager (Innovation Management) will work closely with the COO and CEO to ensure the day-to-day smooth running of the incubator. IM will engage with multiple stakeholders, internal as well as external. IM will be responsible for creating innovation documents, strategies and plans for incubator. IM would also help startups to create innovation pipeline. IM will also oversee overall smooth running of all PUSA Krishi Programs.

**Key roles and responsibilities:**

***Towards the Incubator***

1. Facilitate new initiatives for incubation service offerings to entrepreneurs and start-ups.
2. Develop strategies to leverage industry, academics, investors & institutional network for the benefit of the incubation program.
3. Ensure development of marketing material to promote incubator and incubatees.
4. Organize events to facilitate national and international collaborations for the incubator.
5. Coordinate all cross-functional activities at the incubator level & collaborate with management on allocation and planning of resources to help promote innovations.
6. Demonstrate an active approach; be willing to get involved to achieve goals and objectives of the incubator.
7. Work collaboratively towards creating a positive and innovative atmosphere which encourages employees and start-ups to commit themselves to the National cause.

***Towards Start-up Cohort***

1. Develop high-performance environment for facilitating & hand-holding start-ups.
2. Good understanding of Need-Gap Analysis & build capacity towards validation of start-up's product / process for innovations.
3. Coach & mentor entrepreneurs, start-ups in their innovative product positioning.
4. Nurturing the start-ups to develop innovation mindset & drive linkages to industries for business collaborations.
5. Conducting regular innovation workshops for the start-ups with various industry experts.
6. Organize events to facilitate collaborations, technology tie-up, enhance the investor reach and expert resource.

7. Organize training programs, workshops, mentorship programs, networking seminars etc.
8. Coordinate all cross-functional activities, represent start-ups internally and collaborate with management on allocation and planning of resources to help promote start-up innovations.
9. Create a positive and innovative atmosphere which encourages all to commit to the task in hand and where necessary, go beyond the call of duty in order to achieve their key objectives.

**Preferred Competencies:**

*Technical Competencies*

1. Technical writing skills
2. Startup mentoring
