

**Advertisement:** Research Associate-I

Applications are invited from Indian nationals for the post of Research Associate-I (RA-I) in the research area of **Chemical Biology**.

**Project Description:** The candidate will be expected to perform multi-step organic synthesis, material's chemistry, gram-scale synthesis, and bioconjugation for precision engineering of proteins.

**No. of Position:** 01

**Salary:** 58000/- (HRA as applicable)

**Duration:** One year (annual performance review)

The extension will be based on the annual evaluation of the research progress.

**Eligibility:**

- Ph.D. (or equivalent) in Chemistry from a recognized University/Institute with a minimum of 60% Marks or CGPA of 7.0 and above at a scale of 10.

**Desirable:** Applicants should have experience in organic synthesis and materials chemistry. A prior experience in chemical biology experiments will be preferred.

**How to Apply:** Applications containing a detailed CV (including name, photograph, date of birth, address for communication, phone number, email id, details of educational qualifications and name of two referees) can be emailed to [vrai@iiserb.ac.in](mailto:vrai@iiserb.ac.in). Kindly mention, "SERB-PACE RA-I application" in the subject line.

Last date of receiving applications is **June 05, 2024, 5:00 PM (IST)**.

Shortlisted candidates will be called for an online interview. Photocopies of certificates/mark sheets and other testimonials will be required at the time of interview. The selected candidate will be expected to join at the earliest possibility.

**Contact SERB-PACE @ IISER Bhopal:**

IISER Bhopal, Bhopal Bypass Road, Bhauri, Bhopal 462066.
