Note:- Whenever documents are called from the candidates, submission to be made by the candidates within stipulated time, failing which his/her candidature shall be cancelled for the post.

Addl. General Manager (HR)

ANNEXURE – 1

Methodology:

1. The average of scores of each batch is calculated first. The average of marks is calculated as mentioned below:

$$\bar{x} = \frac{\text{Sum of marks of all candidates}}{\text{Number of candidates in the batch}}$$

2. The batch with highest average is considered as **Base Batch**. All other batches will be normalized against this Base Batch.
3. The **Standard Deviation (σ)** of each batch is calculated. The formula to calculate the Standard Deviation is as mentioned below:

$$\sigma = \sqrt{\frac{\sum (x - \bar{x})^2}{N - 1}}$$

Where:

σ = Standard Deviation

x = Score of candidate

$\bar{x}$ = Mean of Scores of the candidates in the batch

N = Number of candidates in the batch

4. Assuming that Batch 1 is to be normalized against Batch 2 (Base Batch), then the normalized score of candidate is calculated using the following formula:

$$X_n = \frac{S_2}{S_1} * (X - X_{avg}) + Y_{avg}$$

Where:

S_1 = Standard Deviation for Batch 1

S_2 = Standard Deviation for Batch 2 (Base Batch)

X = Score of candidate

X_{avg} = Average Score of candidate's batch

Y_{avg} = Average score of Base Batch

X_n = Normalized Score of candidate

The same formula can be used in case there are more than two batches for a Post.

5. The following candidates will be eligible for Merit List:

- a. Unreserved Category: Candidates having Normalized score of more than or equal to 50.
- b. Reserved category (SC/ST/SEBC/EWS): Candidates having Normalized score of more than or equal to 45.

6. This method has been applied for the following customers:

- a. Railway Recruitment Board.
- b. SSC Board.
- c. Ordinance factory and many more

The following points will be handled during scheduling of candidates:

1. Batches will have nearly equal number of candidates scheduled
2. Equal distribution of candidates as per their categories
