

Society for Applied Microwave Electronics Engineering and Research
Centre for Electromagnetic Environmental Effects, Visakhapatnam

Advertisement No: 01/2024

RECRUITMENT FOR CONTRACT POSITIONS

Society for Applied Microwave Electronics Engineering & Research (SAMEER) is a premier RF & Microwave R&D Laboratory under the aegis of the Ministry of Electronics and Information Technology (MeitY), Government of India. It has five Centers all over the country and undertakes state of the art design and development projects in advanced/next generation technologies and also providing electromagnetic compliances and consultancy services for the industries. SAMEER provides the right environment for budding engineering and science graduates to gain hands-on experience with latest technology, instrumentation and software. It gives opportunity to meet and interact with eminent scientists and academia which is a great starting point to pursue one's professional and academic goals.

SAMEER Visakhapatnam is looking for suitable persons for its various projects on consolidated pay. These are contractual appointments and shall not confer any right for regularization / absorption or continuation of service in SAMEER.
