Advt. No. WII/ADVT. 1/RP–CELL/ November, 2026

Online Application Open Date: 17 November, 2026
Online Application Close Date: 01 December, 2026

Wildlife Institute of India (WII), an autonomous Institution under the Ministry of Environment, Forest and Climate Change (MoEFCC), Government of India, is an acclaimed Institution, which offers training program, academic courses and advisory in wildlife research and management. The institute is actively engaged in research and technical across the breadth of the country on biodiversity-related issues and other multidisciplinary areas. WII invites online applications from **INDIAN NATIONALS** to engage **26 different categories of positions** for various research projects.

Scan QR Code
or visit link:
https://wiirp.com/application.php

Submit your **ONLINE APPLICATION-FORM** at the specific application portal, given in the link https://wiirp.com/application.php or obtain the link via scanning given QR Code. **No printed application copy will be considered.** For more details, may also visit Recruitments section of Wildlife Institute of India website https://wii.gov.in/recruitments. Applicants are advised to keep your all-scanned copies of certificates/documents related to Educational Qualification, Marksheets, Work Experience, Reserved Category, UGC/CSIR NET, Publications, any other Supporting Documents, Application Processing Fee Receipt, Passport Size Photo, Digital signature etc. ready in advance before filling the Online Application Form. The project details, along with position(s) which offers training program, academic courses and advisory in wildlife research and management to be engaged, EQ, DQ, Monthly Emoluments and other details of the advertised positions are given below:

S. No.	Details of the Advertised Positions	
01	**Project Title**	**Conservation and Management of the critically endangered gharial *(Gavialis gangeticus)***
01 (1)	**Position**	**Senior Project Associate**
	No. of Position(s)	02 (Two)
	Monthly Emoluments	57,000/- + HRA
	Age Limit	40 years
	Project Duration	01 year (likely to be extend)
	Essential Qualification(s)	Four Years Bachelor's Degree (4 Yr. BSc degree asper National Education Policy) in Natural Sciences (Wildlife Science/ Zoology/ Ecology/ Marine Sciences / Marine Biology/ Environmental Sciences/ Geoinformatics/ Life Sciences)/ Agricultural/ Forestry Sciences from recognized institute/ University **AND Four years of experience** (after obtaining four years' degree) in R&D in Industrials or Science & Technology Institutions or Scientific activities and Services **OR** Master's Degree in Natural Sciences (Wildlife Science/ Zoology/ Ecology/ Marine Sciences / Marine Biology/ Environmental Sciences/ Geoinformatics/ Life

S. No.	Details of the Advertised Positions	
		Sciences)/ Agricultural Sciences from recognized institute/ University **AND Four years of experience** (after obtaining Master's degree) in R&D in Industrials or Science & Technology Institutions or Scientific activities and Services
	Desirable Qualification(s)	Candidates should have work experience in riverine ecology and Gangetic River system, with expertise in Gharial and other crocodilians, including population surveys, nesting ecology, habitat assessment, and field-based research. Proficiency in GIS, statistical analysis, Genetic studies, camera trapping, community engagement, human–wildlife conflict mitigation, project coordination, and scientific report writing is desirable. Preference will be given to candidates with a Ph.D. in a relevant discipline.
	Description of Work	The candidate will undertake field work, coordinate with Forest Department officials, supervise data collection and analysis, ensure quality control, and submit timely project reports under the Project Investigator's guidance, while managing the team and stakeholders effectively. Candidates with skills in boat-based river surveys, nest monitoring, telemetry, Genetic studies, GIS, camera trapping and ecological statistics/data analysis with a keen interest in extensive field-based research in different landscapes of India will be preferred.
01 (2)	**Position**	**Project Associate – II**
	No. of Position(s)	01 (One)
	Monthly Emoluments	42,000 + HRA (NET/GATE qualified candidates) 33,000 + HRA (Non-NET/GATE qualified candidates)
	Age Limit	35 years
	Project Duration	01 year (likely to be extend)
	Essential Qualification(s)	Four Years Bachelor's Degree (4 Years BSc degree as per National Education Policy) in Natural Sciences (Wildlife Science/ Zoology/ Ecology/ Marine Science/ Marine Biology/ Environmental Sciences/ Geoinformatics/ Life Science)/ Agricultural Sciences from recognised institute/ University **AND Two years of experience** (after obtaining four years' degree) in R&D in Industrials of Science & Technology Institutions or Scientific activities and services. **OR** Master's Degree in Natural Science (Wildlife Science/ Zoology/ Ecology/ Marine Science/ Marine Biology/ Environmental Sciences/ Geoinformatics/ Life Science)/ Agricultural Sciences from recognised institute/ University **AND Two years of experience** (after obtaining Master's degree) in R&D in Industrials of Science & Technology Institutions or Scientific activities and services.
	Desirable Qualification(s)	Experience in field-based research in crocodilian biology, Gangetic River ecology, or aquatic wildlife conservation is desirable. Candidates with skills in boat-based river surveys, nest monitoring, telemetry, Genetic studies, GIS, camera trapping and ecological statistics/data analysis with a keen interest in extensive field-based research in different landscapes of India will be preferred.
	Description of Work	The selected candidate will work with a team mandated to carry out field surveys; data analyses, liaisoning with forest department, report writing and all other project related works assigned by the Project Investigator.
01 (3)	**Position**	**Project Associate – I**
	No. of Position(s)	02 (Two)
	Monthly Emoluments	37,000 + HRA (NET/GATE qualified candidates) 30,000 + HRA (Non-NET/GATE qualified candidates)
	Age Limit	35 years
	Project Duration	01 year (likely to be extend)
	Essential Qualification(s)	Four Years Bachelor's Degree (4 Years BSc degree as per National Education Policy) in Natural Sciences (Wildlife Science/ Zoology/ Ecology/ Marine Science/

S. No.	Details of the Advertised Positions	
		Marine Biology/ Environmental Sciences/ Geoinformatics/ Life Science)/ Agricultural Sciences from recognised institute/ University **OR** Master's Degree in Natural Science (Wildlife Science/ Zoology/ Ecology/ Marine Science/ Marine Biology/ Environmental Sciences/ Geoinformatics/ Life Science)/ Agricultural Sciences from recognised institute/ University
	Desirable Qualification(s)	Experience in field-based research in crocodilian biology, Gangetic River ecology, or aquatic wildlife conservation is desirable. Candidates with skills in boat-based river surveys, nest monitoring, camera trapping and ecological statistics/data analysis with a keen interest in extensive field-based research in different landscapes of India will be preferred.
	Description of Work	The selected candidate will work with a team mandated to carry out field surveys; data analyses, liaisoning with forest department, all other project related works assigned by the Project Investigator.
02	**Project Title**	**Reviving Batagur baska: A Strategic Conservation Approach for Ensuring Survival of the Critically Endangered Terrapins**
02 (1)	**Position**	**Senior Project Associate**
	No. of Position(s)	One (01)
	Monthly Emoluments	57,000 + HRA
	Age Limit	40 years
	Project Duration	01 Year *(Likely to be extended)*
	Essential Qualification(s)	Master's Degree in Natural Science (Wildlife Science/Zoology/ Ecology/ Marine Sciences/ Marine Biology/ Environmental Sciences/ Geoinformetics/ Life Sciences)/ Agricultural Sciences from recognized institute/ University **AND Four Years' experience** (after obtaining Master's degree) in R&D in industrials or Science & Technology Institutions or Scientific activities
	Desirable Qualification(s)	Candidates with prior experience in Wildlife Science, herpetology, population assessment, animal handling, veterinary science, geospatial analysis, population genetics, and phylogeny are desirable. Candidates should be capable of undertaking strenuous fieldwork in remote landscapes of Sundarban, West Bengal with limited logistical support, including work during extreme weather conditions and in rugged terrains. Candidates with publications in relevant fields—particularly related to river terrapin, conservation biology, or forest ecosystems—will be given preference.
	Description of Work	Data collection on river terrapin and associated ecological parameters across remote landscapes of Sundarban, West Bengal. This includes report writing, conducting visual encounter surveys, nocturnal and diurnal field patrolling, habitat assessment, monitoring activity patterns and population trends, handling and tagging for movement ecology studies, data management and analysis, sample collection for genetic studies, and engaging in community- based awareness and outreach activities.
03	**Project Title**	**Impact Assessment of Vibrations on Aquatic Life and Biodiversity Due to Underwater Tunnel Construction Under River Brahmaputra**
03 (1)	**Position**	**Project Associate –I**
	No. of Position(s)	Two (02)
	Monthly Emoluments	37,000 + HRA (NET/GATE qualified candidates) 30,000 + HRA (Non-NET/GATE qualified candidates)
	Age Limit	35 years
	Project Duration	1 year (extended based on performance)
	Essential Qualification(s)	Four Years Bachelor's Degree (4 Yr BSc degree asper National Education Policy) in Natural Sciences (Wildlife Science/ Zoology/ Ecology/ Marine Sciences /

S. No.	Details of the Advertised Positions	
		Marine Biology/ Environmental Sciences/ Geoinformatics/ Life Sciences) from recognized institute/ University **OR** Master's Degree in Natural Sciences (Wildlife Science/ Zoology/ Ecology/ Marine Sciences / Marine Biology/ Environmental Sciences/ Geoinformatics/ Life Sciences) from recognized institute/ University **OR** Bachelor's Degree in Veterinary Science from recognized institute/ University **OR** Bachelor's Degree in Engineering/ Technology (Computer Science/Information Technology/ Remote Sensing) from recognized institute/ University
	Desirable Qualification(s)	Candidates with prior experience in aquatic ecology, conservation genetics, molecular biology, or wildlife biology, particularly involving Ganges River dolphin in freshwater river systems, will be preferred. Applicants should possess a strong understanding of genetic and molecular techniques (e.g., DNA extraction, PCR, sequencing, population genetics analyses) along with familiarity in ecological field sampling protocols.
	Description of Work	Experience in integrating genetic data with ecological assessments and conducting fieldwork in remote riverine habitats with limited logistical support is desirable. Research publications in peer-reviewed national/international journals in relevant biological or genetic disciplines will be considered an added advantage.
04	**Project Title**	**Rangewide Estimation of Riverine and Estuarine Dolphin in India- 2nd cycle**
04 (1)	**Position**	**Project Associate –II**
	No. of Position(s)	One (01)
	Monthly Emoluments	42,000 + HRA (NET/GATE qualified candidates) 33,000 + HRA (Non-NET/GATE qualified candidates)
	Age Limit	35 years
	Project Duration	01 year (likely to be extend)
	Essential Qualification(s)	Four Years Bachelor's Degree (4 Yr BSc degree asper National Education Policy) in Natural Sciences (Wildlife Science/ Zoology/ Ecology/ Marine Sciences / Marine Biology/ Environmental Sciences/ Geoinformatics/ Life Sciences) from recognized institute/ University **AND Two Years' experience** (after obtaining Bachelor's degree) in R&D in industrials or Science & Technology Institutions or Scientific activities **OR** Master's Degree in Natural Sciences (Wildlife Science/ Zoology/ Ecology/ Marine Sciences / Marine Biology/ Environmental Sciences/ Geoinformatics/ Life Sciences) from recognized institute/ University **AND Two Years' experience** (after obtaining Master's degree) in R&D in industrials or Science & Technology Institutions or Scientific activities **OR** Bachelor's Degree in Veterinary Science from recognized institute/ University **AND Two Years' experience** (after obtaining Bachelor's degree) in R&D in industrials or Science & Technology Institutions or Scientific activities **OR** Bachelor's Degree in Engineering/ Technology (Computer Science/Information Technology/ Remote Sensing) from recognized institute/ University **AND Two Years' experience** (after obtaining Bachelor's degree) in R&D in industrials or Science & Technology Institutions or Scientific activities
	Desirable Qualification(s)	Experience in Next Gen sequencing OR Candidates with prior experience working on genetics of elusive species. Research publications in peer-reviewed national/international journals will be an added advantage.

S. No.	Details of the Advertised Positions	
	Description of Work	Candidates will assist in molecular biology aspects related to conservation of Gangetic dolphins and riverine ecology in general
05	**Project Title**	**Preparation of a site-specific wildlife management plan to mitigate the ecological impacts of proposed forest land diversion for mining in Bonai Forest Division, Sundargarh, Odisha**
05 (1)	**Position**	**Project Associate I (Social)**
	No. of Position(s)	One (01)
	Monthly Emoluments	37,000 + HRA (NET or GATE qualified candidates) 30,000 + HRA (For non-NET or GATE qualified candidates)
	Age Limit	35 years
	Project Duration	One year (likely to be extended)
	Essential Qualification(s)	Master's Degree in any Social Science Discipline (Economics/ Environmental Management/ Social Work/ Development studies/ Anthropology/ Economics) from a recognized institute/ University.
	Desirable Qualification(s)	Candidates with prior experience in assessing human-wildlife conflict through social surveys, data analysis, and report writing, with publication in the human-wildlife conflict/socio-economic assessment.
	Description of Work	The responsibilities are: Conduct social surveys to assess human–wildlife interactions and conflicts, including collection and documentation of socio-economic and conflict-related data. Assist in data analysis, interpretation, scientific report writing, and preparation of management and mitigation recommendations.
05 (2)	**Position**	**Project Associate I (GIS)**
	No. of Position(s)	One (01)
	Monthly Emoluments	37,000 + HRA (NET or GATE qualified candidates) 30,000 + HRA (For non-NET or GATE qualified candidates)
	Age Limit	35 years
	Project Duration	One year six months
	Essential Qualification(s)	Master's Degree in Natural Sciences (Wildlife Science/ Zoology/ Ecology/ Environmental Sciences/ Geoinformatics Science/ Remote Sensing/ GIS/ Forestry Sciences/Freshwater Ecology) from recognized institute/ University.
	Desirable Qualification(s)	Preference would be given candidate having practical knowledge of GIS and Remote Sensing applications. Expertise in Wildlife Ecology, Biodiversity Assessment, Conservation Biology, or Forest Ecology, with sound knowledge of terrestrial wildlife, habitat assessment, vegetation ecology, wildlife survey techniques, and ecological impact assessment. Experience in GIS and Remote Sensing, wildlife management planning, and mitigation of ecological impacts of developmental or mining projects will be preferred.
	Description of Work	The responsibilities are: Conduct GIS and remote sensing analysis, including preparation of land-use/land-cover, habitat and other thematic maps. Assist in spatial data processing, satellite image interpretation, field data integration, and preparation of maps and GIS-based inputs for the wildlife management plan.
05 (3)	**Position**	**Project Assistant**
	No. of Position(s)	Two (02)
	Monthly Emoluments	27,000+HRA
	Age Limit	35 years
	Project Duration	One year (likely to be extended)
	Essential Qualification(s)	Bachelor's Degree in Natural Sciences (Wildlife Science/ Zoology/ Ecology/ Environmental Sciences/ Geoinformatics/ Life Sciences)/ Agricultural/ Forestry Sciences from recognized institute/ University

S. No.	Details of the Advertised Positions	
	Desirable Qualification(s)	Candidates with prior experience in biodiversity assessment and field research, including vegetation sampling and quantification, bird surveys using point-count and distance-sampling methods, and mammal surveys using line- transect methods. Experience in conducting and coordinating field surveys, wildlife habitat assessment, species identification, and ecological data collection and analysis will be preferred
	Description of Work	The responsibilities are: i) Conduct field surveys and collection of data ii) Data analysis and Scientific report writing
06	**Project Title**	**Conservation Advisory and Policy Cell**
06 (1)	**Position**	**Project Manager**
	No. of Position(s)	One (01)
	Monthly Emoluments	60,000 to 1,25,000 depending on experience monthly emoluments shall be fixed.
	Age Limit	55 years
	Project Duration	One year (likely to be extended)
	Essential Qualification(s)	Doctoral Degree in Natural Sciences (Wildlife Science/ Zoology/ Ecology/ Environmental Sciences/ Geoinformatics/ Life Sciences)/ Agricultural/ Forestry Sciences from a recognized institute/ University.
	Desirable Qualification(s)	Candidates having experience of more than 5 years in ecological impact assessment, development of Wildlife Management/Mitigation Plans, policy matters related to NBWL, EIA, and forest clearances. Experience of liaisoning with State Forest Department(s) and other stakeholders in various assignments, demonstrated ability to work as member of interdisciplinary and multi-cultural teams, and exceptional written and oral communication skills, with meticulous attention to detail.
	Description of Work	The candidate will primarily have a managerial role and oversee all activities of the cell. Additionally, the candidate will be responsible for assisting in developing proposals, conducting site inspections, reviewing reports, and other tasks assigned relevant to the cell by the Nodal Officer. The selected candidate has to successfully manage competing demands and deadlines.
07	**Project Title**	**Assessing population dynamics, genetics and breeding patterns of threatened mountain ungulates for species recovery and community-based conservation in the Western Himalayas**
07 (1)	**Position**	**Project Assistant**
	No. of Position(s)	One (01)
	Monthly Emoluments	27,000 + HRA
	Age Limit	50 years
	Project Duration	One year (extendable based on project requirement)
	Essential Qualification(s)	Bachelor's Degree in Science (Wildlife Science/ Zoology/ Ecology/ Marine Sciences / Marine Biology/Environmental Sciences/ Geoinformatics/ Life Sciences/ Agricultural/ Forestry) from recognized institute/ University
	Desirable Qualification(s)	Candidates with M.Sc. degrees with prior research experiences with molecular work in wildlife will be given preference.
	Description of Work	The selected candidate will be working on this project involving laboratory research. The job involves sample management and data generation, data curation, analysis, overall project coordination and report writing.
08	**Project Title**	**Project Great Indian Bustard**
08 (1)	**Position**	**Project Associate II**
	No. of Position(s)	One (01)
	Monthly Emoluments	42,000 + HRA (for NET / GATE qualified candidate) 33,000 + HRA (for non- NET / GATE qualified candidate)

S. No.	Details of the Advertised Positions	
	Age Limit	35 years
	Project Duration	One year (annual renewal based on performance & fund availability up to 3 years)
	Essential Qualification(s)	Master's Degree in Natural Sciences (Wildlife Science/ Zoology/ Forestry/ Ecology/ Biodiversity / Environmental Sciences or equivalent) from a recognized University **AND Two years of relevant experience** (after obtaining Master' degree) in Academic Institution/Research organization or Scientific activates in any organization
	Desirable Qualification(s)	Experience of >1 year in bustard husbandry, conservation / research & outreach activities
	Description of Work	In situ, ex situ & outreach work in bustard range states
08 (2)	**Position**	**Project Associate I**
	No. of Position(s)	Two (02)
	Monthly Emoluments	37,000 + HRA (for NET / GATE qualified candidate) 30,000 + HRA (for non- NET / GATE qualified candidate)
	Age Limit	35 years
	Project Duration	One year (annual renewal based on performance & fund availability up to 3 years)
	Essential Qualification(s)	Four Years Bachelor's Degree (4 Yr BSc degree asper National Education Policy) in Natural Sciences (Wildlife Science/ Zoology/ Ecology/ Marine Sciences / Marine Biology/ Environmental Sciences/ Geoinformatics/ Life Sciences) from recognized institute/ University **OR** Master's Degree in Natural Sciences (Wildlife Science/ Zoology/ Ecology/ Marine Sciences / Marine Biology/ Environmental Sciences/ Geoinformatics/ Life Sciences/ Agricultural Science) from recognized institute/ University **OR** Bachelor's Degree in Veterinary Science from recognized institute/ University
	Desirable Qualification(s)	Experience working in grassland research / conservation activities for Great Indian Bustard and Lesser Florican / outreach OR Live Feed production & management
	Description of Work	Field research & conservation/ conservation breeding of Great Indian Bustard and Lesser Florican
08 (3)	**Position**	**Project Assistant**
	No. of Position(s)	One (01)
	Monthly Emoluments	27,000 + HRA
	Age Limit	50 years
	Project Duration	One year (annual renewal based on performance & fund availability up to 3 years)
	Essential Qualification(s)	Bachelor's Degree in Science (Wildlife Science/ Zoology/ Ecology/ Marine Sciences / Marine Biology/ Environmental Sciences/ Geoinformatics/ Life Sciences/ Agricultural/ Forestry) from recognized institute/ University **OR** 3 years Diploma in Engineering
	Desirable Qualification(s)	Experience in Great Indian Bustard husbandry and associated work
	Description of Work	Field research on threat assessment, ecological monitoring and outreach in Rajasthan
08 (4)	**Position**	**Field Worker**
	No. of Position(s)	Two (02)
	Monthly Emoluments	24,000 + HRA
	Age Limit	35 years
	Project Duration	One year (annual renewal based on performance & fund availability up to 3 years)

S. No.	Details of the Advertised Positions	
	Essential Qualification(s)	Graduate degree in any discipline from recognized institute/University
	Desirable Qualification(s)	Experience in Great Indian Bustard and Lesser Florican Husbandry / field research / conservation / Outreach
	Description of Work	Great Indian Bustard and Lesser Florican conservation breeding
09	**Project Title**	**CAMPA Dugong Recovery Programme**
09 (1)	**Position**	**Project Associate – I**
	No. of Position(s)	02 (Two)
	Monthly Emoluments	37,000 + HRA (NET/GATE qualified candidates) 30,000 + HRA (Non-NET/GATE qualified candidates)
	Age Limit	35 years
	Project Duration	01 year (likely to be extend)
	Essential Qualification(s)	Four Years Bachelor's Degree (4 Years BSc degree as per National Education Policy) in Natural Sciences (Wildlife Science/ Zoology/ Ecology/ Marine Science/ Marine Biology/ Environmental Sciences) from recognised institute/ University **OR** Master's Degree in Natural Science (Wildlife Science/ Zoology/ Ecology/ Marine Science/ Marine Biology/ Environmental Sciences) from recognised institute/ University
	Desirable Qualification(s)	1. Experience in Marine mammal survey 2. Experience in wild animal tracking & Acoustic recording
	Description of Work	Carryout dugong population estimation/ survey and Acoustic monitoring of Dugongs in Gulf of Mannar and Palk Bay; Andaman & Nicobar and Gujarat regions
09 (2)	**Position**	**Project Associate – I (GIS & RS)**
	No. of Position(s)	01 (One)
	Monthly Emoluments	37,000 + HRA (NET/GATE qualified candidates) 30,000 + HRA (Non-NET/GATE qualified candidates)
	Age Limit	35 years
	Project Duration	01 year (likely to be extend)
	Essential Qualification(s)	Four Years Bachelor's Degree (4 Years BSc degree as per National Education Policy) in Natural Sciences (GIS and Remote Sensing/ Geoinformatics/ Geospatial Science) from recognised institute/ University **OR** Master's Degree in Natural Science (GIS and Remote Sensing/ Geoinformatics/ Geospatial Science) OR Bachelor's Degree in Engineering/ Technology in Remote Sensing and GIS
	Desirable Qualification(s)	Experience in GIS and Remote Sensing, preparing maps and land use pattern analysis
	Description of Work	Prepare seagrass habitat map, creating dugong suitable habitats, preparation of dugong distribution map, data analysis, interpretation of results and report writing.
09 (3)	**Position**	**Administrative Assistant**
	No. of Position(s)	02 (Two)
	Monthly Emoluments	24,000 + HRA
	Age Limit	35 years
	Project Duration	One year (likely to be extended)
	Essential Qualification(s)	Bachelor's Degree in any discipline from recognized institute/ University

S. No.	Details of the Advertised Positions	
	Desirable Qualification(s)	1. Experience in conducting awareness and outreach activities for fisher community 2. Candidates should have proficiency in local language (Tamil)
	Description of Work	Conducting awareness and outreach activities for fisherman community in Tamil Nadu. Place of work is Gulf of Mannar and Palk Bay, Tamil Nadu

GENERAL TERMS & CONDITIONS

1. **Applicant(s) are advised to carefully read stated the terms & conditions and strictly follow the instructions while filling the application form. Educational details should be entered strictly as per mark sheets of education board/university.**
2. Incomplete Applications (without proof for age, education qualification, research/ work experience mentioning start and end tenure date from employer/ guide/ supervisor, without passport size photograph and signature, application processing fee receipt, etc.) are liable to be rejected.
3. An Application Fee of **Rs. 500/-** *(Rupees Five Hundred only)* for the applicant(s) belonging to **General Category** shall have to be deposited through an online mode. However, candidate belongs to category **SC/ST/OBC/EWS** ***(Non-General Category)*** and **Physically Challenged (PC)** are exempted from the said Application Fee, but shall have to pay **Rs.100/-** as **'Application Processing'** Fee and shall be payable through **Online Banking/ NEFT/ RTGS/ Electronic Mode** to the following Bank Account**:**

PAYMENT DETAILS FOR OFFLINE MODE/ INTERNET BANKING	SCAN QR CODE FOR UPI PAYMENT
Account Name: RRP Cell Revolving/ Director Wildlife Institute of India **Name of the Bank: Union Bank of India** **Branch: Wildlife Institute of India, Chandrabani, Dehradun – 248 001** **Account No.: 518502010059776** **IFSC Code: UBIN0551856**	SCAN & PAY TO RRP CELL REVOLVING FUND staticbp.a000000000023490@axisbank BHIM | UPI PhonePe Google Pay Paytm

Note: *Applicants can also submit Application Processing Fee through internet banking (NEFT/ RTGS) or via offline mode from any bank, using the bank details (Cash/ Demand Draft) provided above. Before paying through online/ electronic mode, kindly ensure the Account Holder Name "RRP CELL REVOLVING FUND/ Director Wildlife Institute of India". After successful payment, please attach the receipt in the online Application Form.*

4. Applicant shall also have to upload a copy of the Application Processing Fee(s) deposited in the above-mentioned account and upload receipt followed by the WII-RP Cell online application portal link https://wiirp.com/application.php. Failing to upload the same shall lead to rejection of the application. Application/ Processing Fee is non-refundable once paid, even if the application is later rejected/ not short-listed or the applicant withdraws their application.
5. **A candidate may apply for a maximum of two advertised positions with relevance to his/her academic education and, as per essential and desirable requisites of an advertised position(s).**
6. Candidate applying for more than one position shall have to submit separate online Application Forms along with the supporting documents and Application/Processing Fee for each position.

Failing to this, the applications for which supporting documents are not attached will be rejected.

7. Candidate(s) presently working/engaged with any WII's project or research activity or Ph.D. scholars must attach a recent "**NO OBJECTION CERTIFICATE**" (not more than one month older than last date of application) from their concerned Project Investigator/Supervisor/ Nodal Officer, as the case may be. Similarly, the candidate earlier worked at WII has to submit/ upload '**NO DUES' Certificate** obtained from WII.
8. Shortlisting of applicants for online interview will be based on essential qualification, age limit, percentage of marks in Bachelor's/ Master's Degree, specialization relevance in Masters, research experience and (Publications- Paper published in journals, books Paper Presented in Workshops/ Seminars/ Symposiums/Conferences), as per WII rules.
9. The selection of short-listed candidates for online interview(s) shall be done for different positions as per criteria stated below:

a) Field/ Lab / Project Assistant category

% Marks in Bachelor's Degree *(As per EQ of the advertised post)*	**Specialization in relevance to the Project applied** *(relevance evidence can be produced/ submitted in the form of internship/ volunteering work done or previous work experience in the relevant field)*	**Total Marks**
25 Marks	**25 Marks**	**50 Marks**

b) Project Associate - I category

% Marks in Master's Degree *(As per EQ of the advertised post)*	**Specialization in relevance to the Project applied** *(relevance evidence can be produced/submitted in the form of internship/ volunteering work done or previous work experience in the relevant field)*	**Total Marks**
25 Marks	**25 Marks**	**50 Marks**

c) Project Associate – II/ Senior Project Associates/ Principal Project Associates/ Project Scientist I, II & III categories

UGC/CSIR /ICAR NET with JRFship/WI I-NET Passed*	**% Marks in Post Graduation** *(As per EQ of the advertised post)*	**Research/Work Experience**	**Publications in journal Conference, book chapter etc.**	**Total Marks**
5 Marks	**25 Marks**	**10 Marks**	**10 Marks**	**50 Marks**

10. **Mere fulfilment of the minimum advertised qualification and experience requirement DOES NOT automatically entitle an applicant to be called for an interview**. **The decision of the Institute in all matters relating to eligibility, acceptance, or rejection of the application and mode of selection will be final and binding on the candidates. No inquiry or correspondence will be entertained from individual or agency**.
11. Based on the above stated screening criteria, top ten (10) short-listed candidates against each respective advertised project/position shall be called for interview(s).
12. A duly constituted Selection Committee will conduct the recruitment process.
13. Selected candidates must produce all original documents/certificates at the time of joining for necessary verification.
14. At the time of the verification of original documents or even after selection, if it is found that the applicant has attempted to wilfully conceal, misrepresent or canvass the facts, such applicant will not be considered for selection or terminated, and due action will be taken. Relaxation in the upper age limit shall be applicable in accordance with the Government of India, Ministry of Personnel, Public Grievances and Pensions (Department of Personnel & Training) OM No. 15012/2/2010- Estt. (D)dated 27.03.2012, as amended from time to time.

As of now, the categories of upper-age relaxations are as follows:

a. Scheduled Castes and Scheduled Tribes up to 5 years.
b. Other Backward Class (OBC) up to 3 years.

15. The positions advertised are purely temporary basis for the project period as specified in the advertisement. These will stand abolished after the completion of the project.
16. Candidates not found suitable for a particular post as advertised may be considered for a position at a lower grade as per recommendations of the Interview Committee. In this regard, recommendations/ approval of the Interview Committee shall be considered as final, with due approval of the competent authority.
17. The Institute's rules and regulations govern the project's tenure and code of conducts of the selected candidates.
18. Canvassing in any form is liable to rejection of the candidature
19. The list of shortlisted candidates for interview and the result of interview will be uploaded in "**Latest News & Announcements**" section of the Institute's website https://wii.gov.in/news The selected candidates have to join the project position immediately within given duration given in the Offer Letter.
20. The Director, WII, reserves the right to reject any application/candidature with or without assigning any other reason(s), thereof.
