(An Autonomous Institution of Ministry of Environment, Forest and Climate Change,
Government of India)

Advt. No. WII/ADVT. 2/RP-CELL/ August, 2025

The Wildlife Institute of India (WII) is an internationally acclaimed Institution that works towards strengthening wildlife conservation and management through capacity building, research, academics and advisory services. The institute is actively engaged in research across the breadth of the country on biodiversity-related issues. WII invites applications from **INDIAN NATIONALS** for **42 contractual positions** of research/project personnel under various research projects at WII.

Duly filled-in Application-Form along with all self-attested documents and application/processing fee shall be addressed by Indian Post/ Courier Services to **The Nodal Officer, Research Recruitment & Placement Cell, Wildlife Institute of India, Chandrabani, Dehradun – 248 001 (Uttarakhand)** and, the same must reach the Institute latest by **1700hrs on 20 September, 2025**. The period of contractual term, EQ, DQ, Monthly Emoluments and other details of the advertised positions are given below:

Project Sl. No.	01
Title of the Project	Rangewide Estimation of River Dolphin-2 nd Cycle
Position Advertised/ Code	Project Scientist-III (ANRF PS-III)
No. of Position(s)	One (01) (Ecology)
Monthly Emoluments	1,07,000 + HRA
Age Limit	55 years
Project Duration	01 year (extended based on performance)
Essential Qualification(s)	Doctoral Degree in Science AND Seven years' experience (after obtaining required degree) in R&D in industrial and academic institutions or Science & Technology organisations and scientific activities and services OR Master's Degree in Engineering & Technology from a recognised university or equivalent, AND Seven years' experience (after obtaining required degree) in R&D in industrial and academic institutions or Science & Technology organisations and scientific activities and services
Desirable Qualification(s)	Candidates with prior experience in freshwater ecology, particularly in research on Ganges River dolphins and associated biodiversity, are preferred.
Description of Work	Oversee project implementation across multiple states, including planning and executing field surveys on Ganges River dolphins. Responsibilities include ecological data collection, monitoring river

	dynamics, conducting comprehensive biodiversity assessments, analysing datasets, and preparing detailed technical reports.
Project Sl. No.	02
Title of the Project	Rangewide Estimation of River Dolphin-2 nd Cycle
Position Advertised/ Code	Project Scientist-II (ANRF PS-II)
No. of Position(s)	One (01) (Ecotoxicology)
Monthly Emoluments	92,000 + HRA
Age Limit	55 years
Project Duration	01 year (extended based on performance)
Essential Qualification(s)	<p>Doctoral Degree in Science AND Three years' experience (after obtaining required degree) in R&D in industrial and academic institutions or Science & Technology organisations and scientific activities and services</p> <p style="text-align: center;">OR</p> <p>Master's Degree in Engineering & Technology from a recognised university or equivalent, AND Three years' experience (after obtaining required degree) in R&D in industrial and academic institutions or Science & Technology organisations and scientific activities and services</p>
Desirable Qualification(s)	Candidates with prior experience in the ecotoxicology of freshwater river systems are preferred. They should have sound knowledge of various sampling techniques for water, sediments, and biota and proficiency in using ecotoxicology- related analytical instruments (e.g., GC-MS, LC-MS/MS, AAS, ICP-MS).
Description of Work	Oversee project implementation across multiple states, including planning and executing field surveys on Ganges River dolphins. The candidate must be capable of leading field teams, systematically sampling water, sediments, and biota in remote riverine habitats, and managing analytical data for ecological risk assessment.
Project Sl. No.	03
Title of the Project	Rangewide Estimation of River Dolphin-2 nd Cycle
Position Advertised/ Code	Project Scientist-II (ANRF PS-II)
No. of Position(s)	One (01) (Ecology)
Monthly Emoluments	92,000 + HRA
Age Limit	55 years
Project Duration	01 year (extended based on performance)
Essential Qualification(s)	<p>Doctoral Degree in Science AND Three years' experience (after obtaining required degree) in R&D in industrial and academic institutions or Science & Technology organisations and scientific activities and services</p> <p style="text-align: center;">OR</p> <p>Master's Degree in Engineering & Technology from a recognised university or equivalent, AND Three years' experience (after obtaining required degree) in R&D in industrial and academic institutions or Science & Technology organisations and scientific activities and services</p>

Desirable Qualification(s)	Candidates with prior experience in freshwater ecology, particularly in research on Ganges River dolphins and associated biodiversity, are preferred. They should be capable of leading field teams, designing and conducting ecological surveys, and carrying out rigorous fieldwork in remote riverine habitats. Experience in habitat assessment, population monitoring, and ecological data analysis will be considered an asset.
Description of Work	Oversee project implementation across multiple states, including planning and executing field surveys on Ganges River dolphins. Responsibilities include ecological data collection, monitoring river dynamics, conducting comprehensive biodiversity assessments, analysing datasets, and preparing detailed technical reports.
Project Sl. No.	04
Title of the Project	Rangewide Estimation of River Dolphin-2 nd Cycle
Position Advertised/ Code	Principal Project Associate (ANRF-PPA)
No. of Position(s)	Three (03)
Monthly Emoluments	67,000 + HRA
Age Limit	50 years
Project Duration	01 year (extended based on performance)
Essential Qualification(s)	<p>Four years Bachelor's Degree (4 year B.Sc. degree as per National Education Policy) in Natural or Agricultural Sciences or equivalent from recognized Institute/ University AND Eight years' experience (after obtaining required degree) in R&D in industrial and academic institutions or Science & Technology organisations and scientific activities and services</p> <p style="text-align: center;">OR</p> <p>Master's Degree in Natural or Agricultural Sciences or equivalent from recognized Institute/ University AND Eight years' experience (after obtaining required degree) in R&D in industrial and academic institutions or Science & Technology organisations and scientific activities and services</p> <p style="text-align: center;">OR</p> <p>BVSC/ BPharm or Bachelor's Degree in Engineering & Technology or Medicine from a recognised University or equivalent from recognized Institute/ University AND Eight years' experience (after obtaining required degree) in R&D in industrial and academic institutions or Science & Technology organisations and scientific activities and services and services, out of which four years should be in science and technology program, planning, development and co-operation</p> <p style="text-align: center;">OR</p> <p>Master's Degree in Engineering or Technology from a recognised university or equivalent, AND six years' experience (after obtaining required degree) in R&D in industrial and academic institutions or S&T organisations and scientific activities and services</p> <p style="text-align: center;">OR</p> <p>Doctoral Degree in Science/Engineering /Technology/Pharma /MD/Master of Surgery from a recognised University or equivalent, AND four years' experience (after obtaining required degree) in R&D in industrial and academic institutions or S&T organisations and scientific activities and services</p>

Desirable Qualification(s)	<p>Candidates with prior experience working on Ganges River dolphins in freshwater river systems are preferred. They should be capable of leading rigorous surveys and fieldwork in remote dolphin habitats with limited logistical support. Statistical analysis and spatial ecological modelling. Research publications in peer-reviewed national/ international journals</p> <p style="text-align: center;">OR</p> <p>They should have sound knowledge of various sampling techniques for water, sediments, and biota and proficiency in using ecotoxicology-related analytical instruments (e.g., GC- MS, LC-MS/MS, AAS, ICP-MS). Research publications in peer- reviewed national/ international journals</p> <p style="text-align: center;">OR</p> <p>Candidates with prior experience in DNA extraction, PCR analysis, and analysis of genetic data, especially sequence and microsatellite analysis. Research publications in peer-reviewed national/ international journals</p>
Description of Work	<p>Conduct field surveys on Ganges River dolphins, collecting ecological data, monitoring river dynamics, conducting biodiversity assessment, data analysis, and technical reporting.</p> <p style="text-align: center;">OR</p> <p>The candidate responsible for planning and overseeing systematic sampling of water, sediments, and biota in riverine habitats, ensuring the application of advanced extraction techniques, analysis, supervising field teams, and managing, interpreting, and reporting analytical data for comprehensive ecological risk assessments</p> <p style="text-align: center;">OR</p> <p>Candidates will carry out and assist in molecular biology aspects related to the conservation of Ganges River dolphins and associated fauna and their prey in general, data analysis, and report writing under the supervision of Project Scientists and Investigators.</p>
Project Sl. No.	05
Title of the Project	Rangewide Estimation of River Dolphin-2 nd Cycle
Position Advertised/ Code	Senior Project Associate (ANRF-SPA)
No. of Position(s)	Five (05)
Monthly Emoluments	57,000 + HRA
Age Limit	50 years
Project Duration	01 year (extended based on performance)
Essential Qualification(s)	<p>Four years Bachelor's Degree (4 year B.Sc. degree as per National Education Policy) in Natural or Agricultural Sciences or equivalent from recognized Institute/ University AND four years' experience (after obtaining required degree) in R&D in industrial and academic institutions or S&T organisations and scientific activities and services</p> <p style="text-align: center;">OR</p> <p>Master's Degree in Natural or Agricultural Sciences/ BVSC/ BPharm or Bachelor's degree in Engineering or Technology or Medicine from a recognised University or equivalent, AND four years' experience (after obtaining required degree) in R&D in industrial and academic institutions or S&T organisations and scientific activities and services</p>

	<p style="text-align: center;">OR</p> <p>Master's Degree in Engineering & Technology from a recognised university or equivalent, AND two years' experience (after obtaining required degree) in R&D in industrial and academic institutions or S&T organisations and scientific activities and services.</p> <p style="text-align: center;">OR</p> <p>Master's Degree in Economics with certificate and diploma in computer with at least 5 years of experience (after obtaining required degree) in office work or management.</p> <p style="text-align: center;">OR</p> <p>Doctoral Degree in Science/Engineering /Technology/ Pharma /MD/ Master of Surgery from a recognised University or equivalent</p>
Desirable Qualification(s)	<p>Candidates with prior experience working on Ganges River dolphins in freshwater river systems are preferred. They should be capable of leading rigorous surveys and fieldwork in remote dolphin habitats with limited logistical support. Research publications in peer-reviewed national/ international journals.</p> <p style="text-align: center;">OR</p> <p>They should have sound knowledge of various sampling techniques for water, sediments, and biota and proficiency in using ecotoxicology-related analytical instruments (e.g., GC- MS, LC-MS/MS, AAS, ICP-MS). Research publications in peer- reviewed national/ international journals.</p> <p style="text-align: center;">OR</p> <p>Candidates with prior experience in DNA extraction, PCR analysis, and analysis of genetic data, especially sequence and microsatellite. Research publications in peer-reviewed national/ international journals.</p> <p style="text-align: center;">OR</p> <p>Candidates with previous experience in GIS/RS software such as ERDAS Imagine, QGIS & ArcGIS, strong modelling and data analytics skills will be preferred. Research publications in peer- reviewed national/ international journals.</p> <p style="text-align: center;">OR</p> <p>Knowledge of MS Office & MS Excel. Experience in handling all the project management work.</p>
Description of Work	<p>Conduct field surveys on Ganges River dolphins, collecting ecological data, monitoring river dynamics, conducting biodiversity assessment, data analysis, and technical reporting.</p> <p style="text-align: center;">OR</p> <p>The candidate must be capable of systematically sampling water, sediments, and biota in remote riverine habitats, using different extraction techniques and managing analytical data for ecological risk assessment.</p> <p style="text-align: center;">OR</p> <p>Candidates will carry out and assist in molecular biology aspects related to the conservation of Ganges River dolphins and associated fauna and their prey in general, data analysis, and report writing under the supervision of Project Scientists and Investigators</p> <p style="text-align: center;">OR</p> <p>Develop and manage GIS databases for Ganges River Dolphin habitat monitoring. Conduct spatial analysis of riverine ecosystems using GIS and remote sensing tools. Prepare high- resolution habitat maps and assess changes in river morphology, sandbars, and water flow dynamics.</p>

	<p style="text-align: center;">OR</p> <p>Candidate will implement project activities, maintenance of data, carry out administrative work related to office management for the project and will support the field activities.</p>
Project Sl. No.	06
Title of the Project	Rangewide Estimation of River Dolphin-2 nd Cycle
Position Advertised/ Code	Project Associate – II (ANRF-PA-II)
No. of Position(s)	Four (04)
Monthly Emoluments	42,000 + HRA (NET or GATE qualified) 33,000 + HRA (For non-NET or GATE qualified)
Age Limit	50 years
Project Duration	01 year (extended based on performance)
Essential Qualification(s)	<p>Four years Bachelor's Degree (4 year B.Sc. degree as per National Education Policy) in Natural or Agricultural Sciences or equivalent from recognized Institute/ University AND Two years' experience (after obtaining required degree) in R&D in Industrial and Academic Institutions or Science and Technology Organisations and Scientific activities and services</p> <p style="text-align: center;">OR</p> <p>Master's Degree in Natural or Agricultural Sciences or BVSc/BPharm or Bachelor's degree in Engineering & Technology or Medicine or equivalent from a recognised University, AND Two years' experience (after obtaining required degree) in R&D in Industrial and Academic Institutions or Science and Technology Organisations and Scientific activities and services</p>
Desirable Qualification(s)	<p>Candidates with prior experience working on Ganges River dolphins in freshwater river systems are preferred. They should be capable of rigorous surveys and fieldwork in remote dolphin habitats with limited logistical support.</p> <p style="text-align: center;">OR</p> <p>Candidates with experience in GIS/RS software such as ERDAS Imagine, QGIS, and ArcGIS and strong modelling and data analytics skills will be preferred.</p> <p style="text-align: center;">OR</p> <p>Candidates with prior experience in DNA extraction, PCR analysis, and analysis of genetic data, especially sequence and microsatellite. Research publications in peer-reviewed national/ international journals.</p>
Description of Work	<p>Conduct field surveys on Ganges River dolphins, collecting ecological data, monitoring river dynamics, conducting biodiversity assessment, data analysis, and technical reporting.</p> <p style="text-align: center;">OR</p> <p>Conduct spatial analysis of riverine ecosystems using GIS and remote sensing tools. Prepare high-resolution habitat maps and assess changes in river morphology, sandbars, and water flow dynamics.</p> <p style="text-align: center;">OR</p> <p>Candidates will carry out and assist in molecular biology aspects related to the conservation of Ganges River dolphins and associated fauna and their prey in general, data analysis, and report writing under the supervision of Project Scientists and Investigators</p>

Project Sl. No.	07
Title of the Project	Rangewide Estimation of River Dolphin-2 nd Cycle
Position Advertised/ Code	Project Associate – I (ANRF-PA-I)
No. of Position(s)	Seven (07) (Ecology/ Genetics/ Ecotoxicology/ GIS)
Monthly Emoluments	37,000 + HRA (NET or GATE qualified) 30,000 + HRA (For non-NET or GATE qualified)
Age Limit	50 years
Project Duration	01 year (extended based on performance)
Essential Qualification(s)	Four years Bachelor's Degree (4 year B.Sc. degree as per National Education Policy) in Natural or Agricultural Sciences or equivalent from recognized Institute/ University OR Master's Degree in Natural or Agricultural Sciences or BVSc/BPharm or Bachelor's degree in Engineering & Technology or Medicine or equivalent from a recognised University
Desirable Qualification(s)	Candidates with prior experience working on Ganges River dolphins in freshwater river systems are preferred. They should be capable of conducting rigorous fieldwork in remote dolphin habitats with limited logistical support. OR They should have sound knowledge of various sampling techniques for water, sediments, and biota. OR Candidates with prior experience in DNA extraction and PCR analysis. OR Candidates with experience in GIS/RS software such as ERDAS Imagine, QGIS & ArcGIS.
Description of Work	Conduct field surveys on Ganges River dolphins, collecting ecological data, monitoring river dynamics, conducting biodiversity assessment, data analysis, and technical reporting.
Project Sl. No.	08
Title of the Project	Rangewide Estimation of River Dolphin-2 nd Cycle
Position Advertised/ Code	Project Assistant (ANRF-PA)
No. of Position(s)	Twenty (20)
Monthly Emoluments	27,000 + HRA
Age Limit	50 years
Project Duration	01 year (extended based on performance)
Essential Qualification(s)	Bachelor's degree in Science/ Agricultural Sciences/ Forestry Science or equivalent from recognized Institute/ University OR 3 years Diploma in Engineering & Technology
Desirable Qualification(s)	Candidates with prior experience working on Ganges River dolphins in freshwater river systems are preferred.

Description of Work	The candidate will assist the team in data collection and field surveys on Ganges River dolphins, collecting ecological data, pollutant samples, and analysis under the supervision of the Project Scientist and Investigators.
---------------------	---

GENERAL TERMS & CONDITIONS

1. **Applicant(s) are advised to carefully read stated terms & conditions and strictly follow the instructions while filling the application. Educational details should be entered strictly as per mark sheets of education board/university.**
2. Applications (application without age proof, without proof for Education Qualification, without proof for research experience from employer/ guide/ supervisor, without all self-attested documents, without passport size photograph, late applications and applications not in the prescribed format as per **Annexure– I** are liable to be rejected.
3. Duly filled-in hard copy of Application-Form with appropriate signature (not photocopy/ digital signature) along with all self-attested documents and application along with processing fee shall be addressed **by Indian Post/ Courier Services** to **The Nodal Officer, Research Recruitment & Placement Cell, Wildlife Institute of India, Chandrabani, Dehradun – 248001 (Uttarakhand)** and, the same must reach the Institute latest by **1700hrs on 20 September, 2025.**
4. An Application Fee of **Rs. 500/- (Rupees Five Hundred only)** for the applicant(s) belonging to **General Category** shall have to be deposited through an online mode. However, candidate belongs to category **SC/ST/OBC/EWS (Non-General Category)** and **Physically Challenged (PC)** are exempted from the said Application Fee but shall have to pay **Rs.100/-** as ‘**Application Processing**’ Fee and shall be payable through **Online/ Electronic Mode** to the following Bank Account:

Account Name: RRP Cell Revolving/ Director Wildlife Institute of India
Name of the Bank: Union Bank of India
Branch: Wildlife Institute of India, Chandrabani, Dehradun – 248 001
Account No.: 518502010059776
IFSC Code: UBIN0551856

***Note:** Before paying through online/ electronic mode kindly ensure the Account Holder Name “RRP Cell Revolving/ Director Wildlife Institute of India”. We never suggest applicant to pay application processing fee using Mobile No./ Contact Number (+91 9456745562). It is recommended to use “**Bank Transfer**” option for online payment from mobile app namely Google Pay, Phonepe, Paytm, Mobile/ Internet Banking Apps etc.*

5. Applicant shall also have to attach a copy of the Application Processing Fee(s) deposited in the above-mentioned account along with the Application Form. Failing to attach the same shall lead to rejection of the application. Application/ Processing Fee are non-refundable once paid, even if the application is later rejected/ not short-listed or the applicant withdraws their application.

6. A candidate may apply for a maximum of two advertised positions with relevance to his/her academic education and, as per essential and desirable requisites of an advertised position(s).
7. Candidate applying for more than one position shall have to submit separate Application Forms along with the self-attested supporting documents and Fee for each position. Failing to this your one of the application for which supporting documents are not attached will be rejected by the screening committee.
8. The subject on centre top of the envelope carrying application, must clearly mention **“Application for Advt. No. WII/ADVT. 2/RP–CELL/ August, 2025 at WII”** and at right-top side of the envelope also mention the Project Name, Project Serial No. & Position applied for.
9. Candidate(s) presently working/engaged with any WII’s project or research activity or Ph.D. scholars must ensure to attach a **“No Objection Certificate”** (not more than one month older than last date of application) from their concerned PI/ Nodal Officer, as the case may be. Similarly, the candidate earlier worked at WII has to produce ‘**No Dues**’ certificate obtained from WII.
10. Shortlisting of applicants for online interview will be based on essential qualification, age limit, percentage of marks in Bachelor’s/ Master’s Degree, specialization relevance in Masters, research experience and (Publications- Paper published in journals, books Paper Presented in Workshops/ Seminars/ Symposiums/Conferences), as per WII rules).
11. The selection of short-listed candidates for online interview(s) shall be done for different positions as per criteria stated below:

a) Field/ Lab / Project Assistant category

% Marks in Bachelor’s Degree (As per EQ of the advertised post)	Specialization in relevance to the Project applied (relevance evidence can be produced/ submitted in the form of internship/ volunteering work done or previous work experience in the relevant field)	Total Marks
25 Marks	25 Marks	50 Marks

b) Project Associate - I category

% Marks in Master’s Degree (As per EQ of the advertised post)	Specialization in relevance to the Project applied (relevance evidence can be produced/submitted in the form of internship/ volunteering work done or previous work experience in the relevant field)	Total Marks
25 Marks	25 Marks	50 Marks

c) Project Associate – II/ Senior Project Associates/ Principal Project Associates/ Project Scientist I, II & III categories

UGC/CSIR /ICAR NET with JRFship/WI I- NET Passed*	% Marks in Post Graduation (As per EQ of the advertised post)	Research/Work Experience	Publications in journal Conference, book chapter etc.	Total Marks
5 Marks	25 Marks	10 Marks	10 Marks	50 Marks

12. A check-list of following self-attested documents shall be duly filled in the attached application form viz., Documents/testimonials; Copies of relevant research publications; Extracurricular activities etc.
13. **Mere fulfilment of the minimum advertised qualification and experience requirement DOES NOT automatically entitle an applicant to be called for an interview.** The decision of the Institute in all matters relating to eligibility, acceptance, or rejection of the application and mode of selection will be final and binding on the candidates. No inquiry or correspondence will be entertained from individual or agency.
14. Based on the above stated screening criteria, top ten (10) short-listed candidates against each respective advertised project/position shall be called for interview(s).
15. A duly constituted Selection Committee will conduct the recruitment process.
16. All original documents/certificates must be produced at the time of joining for necessary verification.
17. At the time of the verification of original documents or even after selection, if it is found that the applicant has attempted to wilfully conceal, misrepresent or canvass the facts, such applicant will not be considered for selection, and due action will be taken. Relaxation in the upper age limit shall be allowed in accordance with the Government of India, Ministry of Personnel, Public Grievances and Pensions (Department of Personnel & Training) OM No. 15012/2/2010- Estt. (D) dated 27.03.2012, as amended from time to time.
However, the categories of upper-age relaxations are as follows:
 - a. Scheduled Castes and Scheduled Tribes up to 5 years.
 - b. Other Backward Class (OBC) up to 3 years.
18. The positions advertised are purely temporary/contractual for the project period as specify in the advertisement. They will stand abolished after the completion of the project.
19. Candidates not found suitable for a particular post as advertised may be considered for a position at a lower grade as per recommendations of the Interview Committee. In this regard, recommendations/approval of the Interview Committee shall be considered as final.
20. The Institute's rules and regulations govern the project's tenure.
21. Canvassing in any form is liable to rejection of the candidature
22. The list of selected candidates for interview will be uploaded in Announcements section of the Institute's website www.wii.gov.in/
23. After announcing the results, the candidate should join the project immediately.
24. The Director, WII, reserves the right to reject any application/candidature because of incomplete information provided by the candidate or for any other reason(s), thereof.

Project Sl. No. _____

Project Title: _____

1. Personal Information:

a.	Post Applied For		<i>Recent passport size colour photograph of the candidate</i>
b.	Name of the Applicant (in CAPITAL LETTER)		
c.	Current Designation		
d.	Category (SC/ST/OBC/ GEN)		
e.	Current Pay-Scale (<i>if any</i>)		
f.	Father's/Husband's Name		
g.	Date of Birth & Present Age (as on last submission date of application)		
h.	Contact Details	Correspondence Address	
		E-mail ID (in CAPITAL LETTER)	
		Mobile No.	
i.	Application Processing Fee details:		
	(i) Payment Reference/ Transaction ID:		
	(ii) Payment Amount & Date:		Rs. _____; Date: _____
	(iii) Payment mode (Online Banking/ Mob. App/ Bank):		

(Note: print copy of payment receipt have to be attach along with the Filled-in Application Form showing all above mentioned details, failing to which your form may be rejected.)

2. Academic Achievements:

Examination Passed	Year	University	Subject	Percentage of marks obtained
Higher Secondary				
Bachelors' Degree				
Masters' Degree				

Examination Passed	Ph.D. Reg. Year	Ph.D. Award Year	University	Subject	Awarded (Yes/ No)
Doctoral Degree (Ph.D.)					

** No Objection Certificate (NOC) from PI is mandatory and has to be submitted along with application, whose Doctoral Degree is not awarded. Failing to submit the same, application shall be liable to be rejected.*

3. Details of experience in relevant fields

(Attach self-attested copies of experience letter/certificate):

Name of Institute/ Organization/ Department	Designation	Monthly Emoluments	Period		Total duration (year & months)
			From	To	

4. a) Details of Publications *(please attach separate sheet if needed):*

Category	Number
(1) Peer-reviewed journal articles	
(2) Publication Newsletter/ conference proceedings/ Books/ Book Chapters/ Manuals	
(3) Technical/ Research Reports	
(4) Others	

4. b) Details of Projects/work experience (*please attach separate sheet if needed*):

S. No.	Projects	Nature of Duties (<i>Roles and responsibilities held by applicant</i>)

5. Candidate passed UGC/CSIR/ICAR NET/GATE (*JRFship/Assistant Professor*) should provide details.
6. Seminar/Symposium/Workshop/Conference attended. (Details may be given in a separate sheet).
8. Extracurricular activities. (Details may be given in a separate sheet).
9. Details of National Parks, Sanctuaries & Forest areas visited (if any).

DECLARATION BY THE APPLICANT

I hereby declare that the entries in this form and additional particulars (if any) furnished in connection with the application are correct and true to the best of my knowledge & belief and nothing has been concealed therein.

(Signature of Applicant)

Place: _____

Date: _____

Check-list of the following documents/attachments is mandatory for applicant(s):

Tick ☒

1. ☐ Copy of filled-in Application/ Processing Fee(s) deposited to apply for the advertised position(s) is **mandatory**.
2. ☐ Category Certificate (SC/ST/OBC/EWS (Non-General Category))
3. ☐ Date of Birth Certificate
4. ☐ Academic Achievements as per details below:
 - ☐ i. Higher Secondary
 - ☐ ii. Bachelors' Degree
 - ☐ iii. Masters' Degree
 - ☐ iv. Doctoral Degree (Ph.D.) – If desired for the advertised post(s)
5. ☐ Documents related to work/research experience.
6. ☐ Details & documents of publication(s).
7. ☐ Documents related to passed UGC/CSIR/ICAR NET/GATE (JRFship/Assistant Professor)
8. ☐ Documents pertaining to Seminar/Symposium/Workshop/Conference(s) attended.
9. ☐ Documents related to Extracurricular activities
10. ☐ No objection Certificate (NOC) from concerned PI/Nodal Officer
11. ☐ Copy of No dues certificate, if previously worked in WII
