Advt. No. WII/ADVT. 3/RP-CELL/DEC. '2023

The Wildlife Institute of India (WII) is an internationally acclaimed Institution that works towards strengthening wildlife conservation and management through capacity building, research, academics and advisory services. The institute is actively engaged in research across the breadth of the country on biodiversity-related issues. WII invites applications from **INDIAN NATIONALS** for **41 contractual positions** of research/project personnel under various research projects. The last date of receiving duly filled-in application(s) **By-Post only** is **1730hrs, Tuesday, 26th December 2023**. The period of contractual term, EQ, DQ, Monthly Emoluments and other details of the advertised positions are given below:

1.	
Title of the Project	Conservation and management plan of Saltwater Crocodile (<i>Crocodylus porosus</i>) in Great Nicobar Island.
Position Advertised	Project Scientist
No. of Position(s)	One (01)
Monthly Emoluments	Rs. 56,000/- plus HRA.
Age Limit	35 years as on last date of receiving of application.
Project Duration	06 months (<i>Likely to be extended</i>)
Essential Qualification(s)	Doctoral Degree in Marine Science/Wildlife Science/Zoology/Botany/Environmental Science/Veterinary Science/Life Science's from a recognized University.
Desirable Qualification(s)	Demonstrated experience/aptitude in a). Crocodylian or marine ecosystem research, b). statistical analysis and spatial ecological modelling in R, c). project design and coordination of multi-disciplinary project team and field data collection and d). research publications in peer-reviewed journals.
Description of Work	Candidate will lead a team and conduct field research, animal handling, surveys, data analysis and report-writing.
2.	
Title of the Project	Conservation and management plan of Saltwater Crocodile (<i>Crocodylus porosus</i>) in Great Nicobar Island.
Position Advertised	Project Assistant
No. of Position(s)	One (01)
Monthly Emoluments	Rs. 20,000/- plus HRA.
Age Limit	35 years as on last date of receiving of application.
Project Duration	06 months (<i>Likely to be extended</i>)
Essential Qualification(s)	Bachelors' Degree in Life Science with a minimum of 60% aggregate marks from a recognized University.

Desirable Qualification(s)	Candidates with enthusiasm to work in coastal and marine systems. Strong interest for scientific research. Should be able to undertake arduous field work in remote islands in Nicobar Islands with limited logistics.
Description of Work	To assist the team in data collection on Saltwater Crocodiles across the beaches in A&N islands, basecamp maintenance, monitoring beach dynamics, satellite tagging and movement ecology, sample collection and population genetics.
3.	
Title of the Project	Conservation and long-term monitoring of Sea Turtles of the Andaman & Nicobar Islands with a special focus on the Leatherback Sea Turtle.
Position Advertised	Science Communicator
No. of Position(s)	One (01)
Monthly Emoluments	Rs. 31,000/- plus HRA.
Age Limit	35 years as on last date of receiving of application.
Project Duration	01 year (<i>Likely to be extended</i>)
Essential Qualification(s)	Masters' Degree in Life Science/Communication/Arts with minimum 60% aggregate marks from a recognized university.
Desirable Qualification(s)	Candidates with prior experience on creating outreach materials for wildlife conservation. Demonstrated skills in designing, communication, and innovation.
Description of Work	Creating outreach materials, designing reports, and conducting outreach programs on wildlife conservation.
4.	
Title of the Project	Conservation and long-term monitoring of Sea Turtles of the Andaman & Nicobar Islands with a special focus on the Leatherback Sea Turtle.
Position Advertised	Accountant
No. of Position(s)	One (01)
Monthly Emoluments	Rs. 20,000/- plus HRA.
Age Limit	35 years as on last date of receiving of application.
Project Duration	01 year (<i>Likely to be extended</i>)
Essential Qualification(s)	Bachelors' Degree in Economics/Commerce with minimum 60% aggregate marks from a recognized university.
Desirable Qualification(s)	Work experience in dealing with financial matters.
Description of Work	Assisting the project team in all the financial matters of the project.
5.	
Title of the Project	Movement ecology and population connectivity of the endemic Nicobar Megapode (<i>Megapodius nicobariensis</i>) in the Nicobar archipelago.
Position Advertised	Project Associate-I
No. of Position(s)	One (01)
Monthly Emoluments	Rs. 31,000/- plus HRA.
Age Limit	35 years as on last date of receiving of application.
Project Duration	01 year (<i>Likely to be extended</i>)

Essential Qualification(s)	Masters' Degree in Wildlife Science/Zoology/Botany/Environmental Science/Life Science with minimum 60% aggregate marks from a recognized university.
Desirable Qualification(s)	Candidates with prior experience in working on genetics and sample collection of wildlife species. Should be able to undertake arduous field work in remote localities in Nicobar Islands with limited logistics.
Description of Work	Data collection on Nicobar megapode habitat utilization, behavior, dispersal, movement ecology and population genetics. Writing reports and scientific publications.
6.	
Title of the Project	CAMPA (MoEFCC) Funded: Recovery of Dugong and their habitats.
Position Advertised	Project Associate-I
No. of Position(s)	One (01)
Monthly Emoluments	Rs. 31,000/- plus HRA.
Age Limit	35 years as on last date of receiving of application.
Project Duration	2 years
Essential Qualification(s)	Masters's Degree in Wildlife Science/Zoology/ Ecology/Marine Sciences/ Marine Biology/Environmental Sciences with a minimum of 60% aggregate marks from a recognized University.
Desirable Qualification(s)	1. Candidate should have adequate experience on marine biodiversity assessment. 2. Candidate should possess experience using advance wildlife techniques like acoustic hydrophones and drone survey.
Description of Work	Carryout research in dugong habitats, seagrass assessment & conduct outreach programme for local stockholders. Place of work is Palk Bay & Gulf of Mannar in Tamil Nadu, Gulf of Kutchch and Andaman Nicobar Islands.
7.	
Title of the Project	CAMPA (MoEFCC) Funded: Recovery of Dugong and their habitats.
Position Advertised	Project Assistant-I
No. of Position(s)	Two (02)
Monthly Emoluments	Rs. 20,000/- plus HRA.
Age Limit	50 years as on last date of receiving of application.
Project Duration	2 years
Essential Qualification(s)	Bachelor's Degree in Science with a minimum of 50% aggregate marks from a recognized University.
Desirable Qualification(s)	1. Should have minimum one-year experience in nutrient analysis of biological sample, sorting and processing invertebrate samples. 2. Proven experience in handling Automatic Nitrogen Analyser, Spectrophotometer, Flame photometer and other analytical instruments.
Description of Work	Candidate should involve in processing biological samples collected from the field, which include nutrient analysis of seagrass and sediment sample, segregation, identification and cataloguing marine benthic invertebrates.
8.	

Title of the Project	PAN India: IDWH – Humpback Whale Status Assessment.
Position Advertised	Senior Project Associate
No. of Position(s)	One (01)
Monthly Emoluments	Rs. 42,000/- plus HRA.
Age Limit	40 years as on last date of receiving of application.
Project Duration	8 months
Essential Qualification(s)	<ol style="list-style-type: none"> 1. Masters' Degree in Wildlife Science/Zoology/Ecology/Marine Sciences /Marine Biology/Environmental Sciences from a recognized University with a minimum of 60% aggregate marks from a recognized University. 2. Four years of research experience above subject discipline in Academic Institution/Research organization or Scientific activates in any organization. <p style="text-align: center;">OR</p> <ol style="list-style-type: none"> 1. Doctoral Degree in Science in the field of Wildlife Science/Zoology/ Ecology/Marine Sciences/Marine Biology/Environmental Sciences from a recognized University. 2. Two years of research experience in above subject discipline in Academic Institution/Research organization or Scientific activates in any organization.
Desirable Qualification(s)	<ol style="list-style-type: none"> 1. Candidate(s) should have proven research skill through good research publications; and 2. Should have knowledge on marine biodiversity and have field experience in marine ecosystem.
Description of Work	Candidate should collect field data and assist in data entry related to Humpback whale reported across the west coast of India, including Lakshadweep islands. Work also includes Hydrophone installation, recording whale sounds, data analysis and writing report.
9.	
Title of the Project	Long-term Ecological Monitoring of Mukundara Hills & Ramgarh Vishdhari TRs.
Position Advertised	Project Associate-I
No. of Position(s)	Two (02)
Monthly Emoluments	Rs. 31,000/- plus HRA.
Age Limit	35 years as on last date of receiving of application.
Project Duration	1 year – <i>Likely to be extended for further period(s)</i>
Essential Qualification(s)	Masters' Degree in Wildlife Sciences/Zoology/Botany/any branch of Life Sciences/Forestry/Forest Management/Environmental Science/Environmental Management from a recognized University with a minimum of 60% aggregate marks from a recognized University.
Desirable Qualification(s)	Candidate(s) with prior experience in Wildlife Sampling, i.e., camera trapping, radio telemetry and should be able to execute field work in harsh conditions. Proficiency in using computers and good writing skill in English language.
Description of Work	Carry out camera trapping, line transect, sign survey, radio-telemetry and implementation of M-STriPES (Ecological Assessment, Capacity Building) Headquarters: WII, Dehradun.
10.	

Title of the Project	PAN India monitoring of Swamp Deer (IDWH).
Position Advertised	Principal Project Associate
No. of Position(s)	One (01)
Monthly Emoluments	Rs. 49,000/- plus HRA.
Age Limit	40 years as on last date of receiving of application.
Project Duration	6 months
Essential Qualification(s)	Masters' Degree in Wildlife Sciences/Zoology/Botany/any branch of Life Sciences/Forestry/Forest Management/Environmental Science/Environmental Management from a recognized University with a minimum of 60% aggregate marks from a recognized University.
Desirable Qualification(s)	Candidate(s) with prior experience in Wildlife Sampling, i.e., camera trapping, radio telemetry and should be able to execute field work in harsh conditions. Proficiency in using computers and good writing skill in English language.
Description of Work	Carry out camera trapping, line transect, sign survey, radio-telemetry and implementation of M-STriPES(Ecological Assessment, Capacity Building) Headquarters: WII, Dehradun.
11.	
Title of the Project	PAN India monitoring of Wild Buffalo (IDWH).
Position Advertised	Project Associate-I
No. of Position(s)	Two (02)
Monthly Emoluments	Rs. 31,000/- plus HRA.
Age Limit	35 years as on last date of receiving of application.
Project Duration	6 months
Essential Qualification(s)	Masters' Degree in Zoology/Botany/Forestry/Life Science/Ecology/Environment Science/RS & GIS from a recognized University with a minimum of 60% aggregate marks from a recognized University.
Desirable Qualification(s)	Candidate(s) with prior experience in Wildlife sampling. Able to do field work in harsh conditions. Proficiency in using computers and good writing skill in English language.
Description of Work	Field Work, Data analysis and synthesis, arrange meetings with local communities and Forest Department and management plan writing.
12.	
Title of the Project	PAN India monitoring of Indian Rhinoceros (IDWH).
Position Advertised	Project Associate-I
No. of Position(s)	Two (02)
Monthly Emoluments	Rs. 31,000/- plus HRA.
Age Limit	35 years as on last date of receiving of application.
Project Duration	6 months
Essential Qualification(s)	Masters' Degree in Zoology/Botany/Forestry/Life Science/Ecology/Environment Science/RS & GIS from a recognized University with a minimum of 60% aggregate marks from a recognized University.
Desirable Qualification(s)	Candidate(s) with prior experience in Wildlife Sampling. Able to do field work in harsh conditions. Proficiency in using computers and good writing skill in English language.

Description of Work	Field Work, Data analysis and synthesis, arrange meetings with local communities and Forest Department and management plan writing.
13.	
Title of the Project	Bringing Back the Cheetah to India.
Position Advertised	Project Associate-I
No. of Position(s)	One (01)
Monthly Emoluments	Rs. 31,000/- plus HRA.
Age Limit	35 years as on last date of receiving of application.
Project Duration	1 year – <i>Likely to be extended for further period(s)</i>
Essential Qualification(s)	Masters’ Degree in Biological or other Natural Sciences from a recognized University or equivalent with a minimum of 60% aggregate marks.
Desirable Qualification(s)	Candidate with prior experience in sampling design and animal abundance estimation, radio telemetry, knowledge of software like MARK, DISTANCE, and SECR will be preferred. Able to do field work in harsh conditions and coordinating teams. Publications are desirable.
Description of Work	Field work on animal abundance using distance sampling, camera traps, mark recapture, and occupancy analysis. Habitat evaluation and human disturbance assessment. The research work will be carried out in different parts of India. Work will be primarily at field sites with occasional visits to the HQ i.e. WII.
14.	
Title of the Project	Bringing Back the Cheetah to India.
Position Advertised	Project Associate-II (<i>Veterinary Services</i>)
No. of Position(s)	One (01)
Monthly Emoluments	Rs. 35,000/- plus HRA and NPA, as admissible
Age Limit	35 years as on last date of receiving of application.
Project Duration	1 year – <i>Likely to be extended for further period(s)</i>
Essential Qualification(s)	Masters’ Degree in Veterinary Sciences/Veterinary Medicine/Animal Science from a recognized University or equivalent with a minimum of 60% aggregate marks.
Desirable Qualification(s)	Candidate with prior experience working with wildlife in zoos/rescue centres/veterinary facilities will be preferred. Able to do field work in harsh conditions. Publications are desirable.
Description of Work	Capture/handling of animals, monitoring animal health, treatment disease management. Work will be primarily at field sites with occasional visits to the HQ i.e. WII.
15.	
Title of the Project	Bringing Back the Cheetah to India.
Position Advertised	Project Assistant
No. of Position(s)	Twelve (12)
Monthly Emoluments	Rs. 20,000/- plus HRA.
Age Limit	31 years as on last date of receiving of application.
Project Duration	1 year – <i>Likely to be extended for further period(s)</i>
Essential Qualification(s)	Bachelors’ Degree in Biological or other Natural Sciences from a recognized University or equivalent with a minimum of 60% aggregate marks.

Desirable Qualification(s)	Candidate(s) with prior experience of working in wildlife surveys, good knowledge of using Microsoft excel/word.
Description of Work	Need hardworking dedicated candidates to carryout various activities in field, monitoring carnivores and herbivores in the wilderness. Spending long hours in the wilderness, in harsh climate and rough terrain.
16.	
Title of the Project	Management Effectiveness Evaluation (MEE) of Protected Areas.
Position Advertised	Project Associate-I
No. of Position(s)	One (01)
Monthly Emoluments	Rs. 31,000/- plus HRA.
Age Limit	35 years as on last date of receiving of application.
Project Duration	1 year
Essential Qualification(s)	Masters' Degree in Wildlife Science/Environmental Science/Forestry/Life Sciences/Biodiversity Conservation from a recognized University or equivalent with a minimum of 60% aggregate marks.
Desirable Qualification(s)	Candidate should have prior experience of working in Protected Areas, coordinating large scale projects, policy research, writing technical project reports, Statistics, Remote Sensing and GIS.
Description of Work	<ol style="list-style-type: none"> 1. To coordinate the exercise of Management Effectiveness Evaluation of National Parks and Wildlife Sanctuaries and other associated work. 2. Organize meetings and workshops. 3. Data analysis, prepare reports and relevant deliverables, and 4. Other additional tasks as assigned.
17.	
Title of the Project	Movement ecology of tigers (<i>Panthera tigris</i>) for conflict prediction and landscape management in Sathyamangalam-Nilgiri Biosphere Reserve Complex, Southern India.
Position Advertised	Project Associate-I (<i>Biologist/Landscape Ecologist</i>)
No. of Position(s)	One (01)
Monthly Emoluments	Rs. 31,000/- plus HRA.
Age Limit	35 years as on last date of receiving of application.
Project Duration	Until March 2025 – <i>Likely to be extended for further period(s)</i>
Essential Qualification(s)	Masters' Degree in Wildlife Science/Life Science/Botany/Zoology/Forestry/Agriculture/Environmental Sciences/Genetics from a recognized University or equivalent with a minimum of 60% aggregate marks.
Desirable Qualification(s)	Domain knowledge and experience in camera trapping, distance sampling, human-carnivore conflicts, Telemetry, Spatial analyses and connectivity modelling involving Remote Sensing and GIS tools.
Description of Work	(1) Monitoring of tiger, co-predator, and prey population using radio-telemetry, camera trapping and distance sampling, (2) Investigation on movement ecology of tiger, (3) Landscape analyses to map corridors, satellite cores and connectivity modelling, (4) Handling, processing, and analyses of large-scale spatial data and (5) Development of Landscape Management Plan.
18.	

Title of the Project	Movement ecology of tigers (<i>Panthera tigris</i>) for conflict prediction and landscape management in Sathyamangalam-Nilgiri Biosphere Reserve Complex, Southern India.
Position Advertised	Technical Assistant (<i>Biologist/Landscape Ecologist</i>)
No. of Position(s)	One (01)
Monthly Emoluments	Rs. 20,000/- plus HRA.
Age Limit	35 years as on last date of receiving of application.
Project Duration	Until March 2025 – <i>Likely to be extended for further period(s)</i>
Essential Qualification(s)	Bachelor's Degree in Wildlife Science/Life Science/Botany/Zoology/Forestry/Agriculture/Environmental Sciences/Genetics with minimum of 60% aggregate marks from a recognized University.
Desirable Qualification(s)	Domain knowledge and field experience in movement ecology of carnivores, involving telemetry and experiences in camera trapping, distance sampling, human-carnivore conflicts, and spatial analyses and predictive modelling involving Remote Sensing and GIS tools.
Description of Work	(1) Ecological surveys including camera trapping, sign surveys and line transect, (2) Landscape analyses to map corridors and evaluate ecosystem services of the region, (3) Participation in ongoing prey augmentation efforts, offer research-based guidance to forest department in prey capture, release, and post-release monitoring.
19.	
Title of the Project	PAN India Assessment and Monitoring of endangered species under IDWH – Clouded Leopard.
Position Advertised	Project Scientist – I (<i>Ecology</i>)
No. of Position(s)	One (01)
Monthly Emoluments	Rs. 56,000/- plus HRA.
Age Limit	35 years as on last date of receiving of application.
Project Duration	1 year
Essential Qualification(s)	Doctoral Degree in Wildlife Science/Botany/Zoology/Forestry/Life Science/Environmental Sciences from a recognized University. <i>Candidates with Master's Degree in Biotechnology/Biochemistry/Microbiology/Genetics/Molecular Biology/Veterinary Sciences/Marine Sciences <u>need not apply for this post.</u></i>
Desirable Qualification(s)	Demonstrated experience/ aptitude in a) spatial analysis and ecological modeling, b) statistical analysis, c) project design and coordination of multi-disciplinary project team and field data collection, and c) research publications in peer-reviewed national/ international journals.
Description of Work	Survey and monitoring of Clouded Leopard in India. The project scientist will implement the project activities, coordinate with the project team members, and ensure timely completion of project deliverables. The candidate must conduct field research, analyze data, and write reports. The candidate must be self-driven, able to work as an independent researcher, and highly motivated.
20.	
Title of the Project	Long-Term Monitoring in the State of Maharashtra.

Position Advertised	Project Associate-I (<i>Ecology</i>)
No. of Position(s)	Four (04)
Monthly Emoluments	Rs. 31,000/- plus HRA.
Age Limit	35 years as on last date of receiving of application.
Project Duration	4 years
Essential Qualification(s)	Masters' Degree in Wildlife Science/Botany/Zoology/Forestry/Life Science/ Environmental Sciences from a recognized University or equivalent with a minimum of 60% aggregate marks. <i>Candidates with a Master's Degree in Biotechnology/Biochemistry/Microbiology/ Genetics/Molecular Biology/Veterinary Sciences/Marine Sciences <u>need not apply for this post.</u></i>
Desirable Qualification(s)	Candidate(s) with prior experience in sampling design and animal abundance estimation are preferred. Prior experience in sampling using camera trapping, distance sampling, radiotelemetry with knowledge of GIS and GPS is desirable. Candidate should be able to undertake arduous field work under rigorous conditions.
Description of Work	The work involves field monitoring of tiger, co-predators, and their prey with techniques such as camera-trapping, distance sampling, and radiotelemetry in TATR, Pench TR, NNTR, Melghat TR, Bor TR, Umred WLS, and Tippeshwar WLS. Objectives of this study include demographic trends of carnivores and prey species, dispersal, and movement ecology of tigers.
21.	
Title of the Project	Monitoring of Wildlife Overpasses and Underpasses on Samruddhi Expressway.
Position Advertised	Principal Project Associate (<i>Web-GIS Full Stack Developer</i>)
No. of Position(s)	One (01)
Monthly Emoluments	Rs. 49,000/- plus HRA.
Age Limit	35 years as on last date of receiving of application.
Project Duration	5 years
Essential Qualification(s)	B.Tech/M.Sc/M. Tech or equivalent Degree in Computer Science/ Information Technology (IT)/Geoinformatics or equivalent streams with a minimum of 60% aggregate marks from a recognized University. Candidate(s) should have a minimum of one year of demonstrated experience in working with GeoServer, REST API, JavaScript Frameworks (Node.js, Vue.js, AngularJS, etc.), and JavaScript libraries (OpenLayers, Leaflet, etc.).
Desirable Qualification(s)	Candidate(s) with prior experience in following technologies will be preferred: <ul style="list-style-type: none"> • Developing server applications with Node.js/Django/PHP with REST capabilities. • Developing websites using Vue.js/ AngularJS • Developing web applications with geospatial capabilities using PostGIS • Mobile app development, preferably in Flutter. • Managing Microsoft Windows servers (IIS) and deploying applications.
Description of Work	1. Develop, test, deploy, and maintain web portals that will host dynamic content, files and geospatial data.

	<ol style="list-style-type: none"> 2. Develop, test, deploy, and maintain REST API server for GeoServer, mobile applications and web applications. 3. Develop, test, deploy, and maintain mobile applications for field data collection purposes. 4. Maintain, configure, and ensure reliable operation of Microsoft Windows servers (IIS) and other network components.
22.	
Title of the Project	Monitoring of Wildlife Overpasses and Underpasses on Samruddhi Expressway.
Position Advertised	Project Associate-I (<i>Genetics</i>)
No. of Position(s)	One (01)
Monthly Emoluments	Rs. 31,000/- plus HRA.
Age Limit	35 years as on last date of receiving of application.
Project Duration	5 years
Essential Qualification(s)	Masters's Degree in Genetics/Biotechnology/Biochemistry/Microbiology/Molecular Biology/Life Science with a minimum of 60% aggregate marks from a recognized University.
Desirable Qualification(s)	Candidates with prior experience working on non-invasive techniques of population genetics of wild animals. Experience/aptitude in DNA extraction, PCR, genetic data analysis software, knowledge of GIS, Statistics, report writing.
Description of Work	The selected candidate will work on the large carnivores' population genetics involving lab and fieldwork. The job involves collecting data from samples, performing analyses, and writing reports.
23.	
Title of the Project	Ecological sensitive zone studies & development of Conservation Plan for Kaiga Atomic Power Project Unit 5&6, District Uttarkanada, Karnataka.
Position Advertised	Project Associate-I (<i>Vegetation Component</i>)
No. of Position(s)	One (01)
Monthly Emoluments	Rs. 31,000/- plus HRA.
Age Limit	35 years as on last date of receiving of application.
Project Duration	8 months
Essential Qualification(s)	Masters's Degree in Wildlife Science/Botany/Forestry or Life Science(s) with a minimum of 60% aggregate marks from a recognized University.
Desirable Qualification(s)	Previous work experience of wildlife survey/research experience in Western Ghats in India.
Description of Work	The selected candidate will carry out field data collection, assist data entry, data analysis, report writing and all other related works assigned by the project investigator.

GENERAL TERMS & CONDITIONS

1. Applicant(s) must read stated terms & conditions *very carefully* before filling up Application Form.
2. Incomplete/late applications and applications not in the prescribed format as per Annexure-I are liable to be rejected.
3. To apply for the advertised positions, candidates must send the duly filled-in the **Application Form (Annexure-I)** along with **self-attested copies** of certificates, documents, and relevant testimonials along with an ‘**Application Fee**’ in form of a **Demand Draft of Rs. 500/- (Rupees Five Hundred only)** for the applicant(s) belonging to the **General Category**. However, category candidate(s) belongs to **SC/ST/OBC/EWS (Non-General Category)** and **Physically Challenged (PC)** are exempted from the said Application Fee but shall have to pay **Rs.100/- as Demand Draft as ‘Application Processing’** charges and, the same is payable at Dehradun in favour of **The Director, Wildlife Institute of India, Dehradun (Uttarakhand)**.
4. Duly filled-in Application-Form along with all self-attested documents and application fee as mentioned above shall be addressed **By-post** only to **The Nodal Officer, Research Recruitment & Placement Cell, Wildlife Institute of India, Chandrabani, Dehradun – 248 001 (Uttarakhand)** and, the same must reach the Institute latest by **1730hrs on Tuesday, 26th December 2023**.
5. A candidate may apply for a maximum of two advertised positions with relevance to his/her academic education and, as per essential and desirable requisites of an advertised position(s). Candidate applying for more than one position shall have to submit separate Application Form and Fee for each position.
6. The subject on top of the envelope carrying application, must clearly mention “**Application for Advt. No. WII/ADVT.3/RP–CELL/DEC. ‘2023 at WII - reg’**”.
7. Candidate(s) presently working with Government Organization/NGO/Project must ensure to attach a copy of the “No Objection Certificate” from their concerned employer/PI of the project, as the case may be.
8. Shortlisting of applicants for online interview will be based on essential qualification, age limit, UGC/CSIR/ICAR NET/GATE (*JRFship/Assistant Professor*), percentage of marks in Bachelors’/Masters’ Degree, specialization relevance in Masters, research experience (Publications, Paper Presented in Workshops/Seminars/Symposiums/Conferences), SOP and extracurricular activities (as per WII rules).
9. The selection of short listed candidates for online interview(s) shall be done as per criteria stated below:

UGC/CSIR/ICAR NET/GATE Passed	% Marks in Post Graduation/Bachelors (As per EQ of the advertised post)	Specialization relevance in Post Graduation/Bachelors (As per EQ of the advertised post)	Research/Work Experience	Publications, Conference etc., and Extra Curricular Activities	Total Marks (50 Marks)
-------------------------------	--	---	--------------------------	--	------------------------

10. Based on the above stated screening criteria, **only Top-Five (05) short-listed candidates** against each respective advertised position shall be called for interview(s).
11. Candidate(s) must also mention the names with complete address, e-mail and contact details of the referees as mentioned in the Application Form.
12. A check-list of following self attested documents shall be duly filled in the attached application form viz., Passport Size Photograph; Documents/testimonials; Copies of relevant research publications; Extra curricular activities etc.
13. Mere fulfillment of the minimum advertised qualification and experience requirement DOES NOT automatically entitle an applicant to be called for an interview. The decision of the Institute in all matters relating to eligibility, acceptance, or rejection of the application and mode of selection will be final and binding on the candidates. No inquiry or correspondence will be entertained from individual or agency.
14. A duly constituted Selection Committee will conduct the recruitment process.

15. All original documents/certificates must be produced at the time of joining for necessary verification.
16. At the time of the verification of original documents or even after selection, if it is found that the applicant has attempted to wilfully conceal, misrepresent or canvass the facts, such applicant will not be considered for selection, and due action will be taken.
17. Relaxation in the upper age limit shall be allowed in accordance with the Government of India, Ministry of Personnel, Public Grievances and Pensions (Department of Personnel & Training) OM No. 15012/2/2010-Estt. (D) dated 27.03.2012, as amended from time to time. However, the categories of upper-age relaxations are as follows:
 - a. Scheduled Castes and Scheduled Tribes up to 5 years.
 - b. Other Backward Class (OBC) up to 3 years.
18. The positions advertised are purely temporary/contractual for the project period as specified in the advertisement. They will stand abolished after the completion of the project.
19. The Institute's rules and regulations govern the project's tenure.
20. After announcing the results, the candidate should join the project immediately.
21. The Director, WII, reserves the right to reject any application/candidature because of incomplete information provided by the candidate or for any other reason(s), thereof.

- *Registrar*

**APPLICATION FORM FOR ADVERTISED CONTRACTUAL POSITIONS AT
WILDLIFE INSTITUTE OF INDIA, DEHRADUN**

Project Sl. No. _____

Project Title : _____

1. Personal Information:

a.	Post Applied For		<i>Recent passport size colour photograph of the candidate</i>
b.	Name of the Applicant		
c.	Current Designation		
d.	Caste (SC/ST/OBC)		
e.	Current Pay-Scale <i>(if any)</i>		
f.	Father's/Husband's Name		
g.	Date of Birth & Age in year		
h.	Contact Details	Correspondence Address	
		E-mail	
		Mob./Phone No.	

2. Academic Achievements:

Examination Passed	Year	University	Subject	Percentage of marks obtained
Higher Secondary				
Bachelors' Degree				
Masters' Degree				
Doctoral Degree (Ph.D.)				

3. Details of experience in relevant fields*(Attach self-attested copies of experience letter/certificate):*

S. No.	Name of Institute/Organization/ Department	Designation	Period		Monthly Emoluments
			From	To	

4. a) Details of Publications (please attach separate sheet if needed):

Category	Number
(1) Peer-reviewed journal articles	
(2) Technical/ Research Reports	
(3) Books/ Book Chapters/ Manuals	
(4) Others	

4. b) Details of Projects/work experience (please attach separate sheet if needed):

S. No.	Projects	Nature of Duties (Roles and responsibilities held by applicant)

5. Candidate passed UGC/CSIR/ICAR NET/GATE (*JRFship/Assistant Professor*) should provide details.
6. A one page self hand-written **Statement of Purpose (SoP)** is mandatory for candidate(s) to apply against advertised position(s). Failing to submit the same, application shall be liable to be rejected.
7. Seminar/Symposium/Workshop/Conference attended.
8. Extracurricular activities. (Details may be given in a separate sheet).
9. National Parks, Sanctuaries & Forest areas visited, and a paragraph on self interest in the field of Wildlife Conservation & Research (*attach a separate sheet if needed*).
10. Name, Address and Phone Number of three referees:
 - 1.
 - 2.
 - 3.
11. Attach testimonials from referees is compulsory, as mentioned above by the applicant.

Declaration by the Applicant

I declare that all the particulars stated in the application and enclosures are accurate to the best of my knowledge and belief.

(Signature of Applicant)
